

| Pos.  | Designation                          | Part number | Overview |
|---|--------------------------------------|-------------|----------|
| <b>Changing the axle distance</b>                     |                                      |             |          |
| <b>Wedges for modifying the rear axle inclination</b> |                                      |             |          |
| 1   | Size (220x90mm) Inclination (0.5°)   | 300355      |          |
|   | Size (220x100mm) Inclination (1.5°)  | 250539      |          |
|   | Size (220x100mm) Inclination (2.08°) | 277975      |          |
|   | Size (220x100mm) Inclination (5°)    | 246263      |          |
|   | Size (220x100mm) Inclination (5.5°)  | 277976      |          |

| <b>Reducing the tag axle lifting height on vehicles with 6x2 wheel configuration with rear leaf spring suspension</b> |                    |         |  |
|---|--------------------|---------|--|
| 2   | Hydraulic cylinder | 2083400 |  |
| 3   | Separator insert   | 1377710 |  |

| <b>Moving the hydraulic unit for the tag axle steering system (EST)</b> |                  |        |  |
|---|------------------|--------|--|
| <b>Connections for hydraulic hoses</b>                                  |                  |        |  |
| -   | Union nut Ø12 mm | 814555 |  |
| -   | Ferrule Ø12 mm   | 813223 |  |

| Pos.              | Designation         | Part number |
|-------------------|---------------------|-------------|
| <b>Axle stops</b> |                     |             |
|                   |                     |             |
| 1                 | Axle stop (H:17mm)  | 1870119     |
| 2                 | Axle stop (H:43mm)  | 1370142     |
| 3                 | Axle stop (H:63mm)  | 1370144     |
| 4                 | Axle stop (H:72mm)  | 2088375     |
| 5                 | Axle stop (H:92mm)  | 2659818     |
| 6                 | Axle stop (H:127mm) | 1427981     |

| <b>Removing the rear cab suspension for fitting a subframe</b> |  |         |
|--|--|---------|
|  |  |         |
| 1  | Screw for securing the cross member in the frame bracket | 2160249 |
| 1  | Nut for securing the cross member in the frame bracket   | 1741563 |
